

1 March 2012

Hello, I'm Dale Guldenzopf, Post Commander for Sellwood-Breakthrough Post 4248 and I would like to welcome you to our new website. As you can see, this website is still under construction and will only get better with time. In the meantime, we hope to give you a real good idea just how much we have going on here.

We are the 2nd largest combined Post (Post members and both Auxiliaries) in the state. We offer a varied range of services from a full service lounge, lunch and dinner service, to live music, lounge Bingo, and Karaoke. We have an Honor Guard Team that offers their services for funerals, flag ceremonies, and any other occasion you may have. And, we have a rentable banquet hall that comfortably seats up to 130. You can find out more on these and many more areas of interest located through-out this site. If you don't find what you need, all you have to do is ask.

I hope you will take the time to stop by, check us out and enjoy some good old-fashioned friendliness here at 4248. See ya soon!

Yours in comradeship,

Dale
